

## GlassRatner turns 40 in 2019!

We are excited to have reached this major milestone—40 years of helping companies achieve their business goals. Without your collaboration and support, none of this would have been possible so we thank you.

We have plenty of special initiatives happening throughout 2019 and we hope you're able to follow along as we celebrate.

There will be an exciting slate of events throughout the year—bringing clients together with GlassRatner professionals—because it's you who have helped us build our firm in the first 40 years.

We also want to provide a sneak peek at two special campaigns that will be running throughout the year.

First, we'd like to introduce the *Faces of Farber*. This campaign will spotlight all the great people that work at our firm—showing the world who we truly are, and why the GlassRatner culture is our key differentiator.

Also, keep an eye out for a special, limited-edition *Foresight Magazine* launching in the first quarter of 2019. This unique piece will showcase the GlassRatner brand and our story with special feature articles that celebrate our history, our present, and our exciting future.

**Thanks again for being part of our 40-year journey.**

**We couldn't have done it without you.**
