Profile overview

With over 30 years of experience across the for-profit, non-profit, academic, and government sectors, Christian is a seasoned executive and board director known for delivering results and driving transformation.

He has a proven track record of growing organizations and enhancing their reputations, launching innovative products and initiatives, and building strong relationships with diverse stakeholders, including government, media, and industry partners.

Prior to joining B. Riley Farber, Christian was a senior executive at the Institute of Corporate Directors and served as President and CEO of both Supply Chain Canada and Restaurants Canada. Additionally, he has held several interim and fractional executive roles throughout his career.

Christian has also contributed his expertise to ten boards across various sectors and sizes, providing valuable insights in corporate governance, strategy, risk management, audit, and crisis management.

He is passionate about making a positive impact and leveraging his extensive skills and experiences to help organizations achieve their goals and overcome challenges.

Of interest...

- Has studied and lived in multiple countries, including the U.S., Belgium, and Israel, gaining a broad international perspective.
