Profile overview

Collaborating with public, private and private equity owned clients, Devin has gained an in-depth understanding of the strategic approach for hiring the right individual. Having successfully delivered mandates for executives and senior leaders, he has seen the organizational impact a strategic hire can bring.

Diving deeper than technical skills, experience and credentials, Devin seeks to fully understand the needs of both clients and candidates to match the ideal working environment to the right person. This unique approach leads to a relationship based on trust, honesty, and integrity between clients and candidates.

Ultimately, it's about being clear and upfront at every stage of the process, treating everyone with respect, and delivering on our promises. Leading with this kind of transparency and empathy builds authentic relationships and strengthens our reputation as a trusted search partner.

Select client experience
