Profile overview

She brings more than nine years of experience creating strong relationships, exceptional customer service, and an empathetic approach for both internal and external stakeholders. She will be supporting the team in streamlining processes, improving efficiencies, engaging with clients and candidates to enhance their experience and facilitating marketing and business development capabilities.

Maria is a strong communicator and innovative problem solver, with excellent analytical and strategic thinking skills. She excels at identifying new business opportunities and creating positive team and customer experiences.

She is highly adept with Excel and other MS Office tools, with a strong foundation in data analysis and reporting that supports company objectives.

Of interest...

- Maria is fully bilingual in both English and Spanish
